

CELEBRATION TIME IN MAYUR

“The greatness of a culture is found in its festival”

Mayur Public School celebrated Baisakhi, the harvest festival with great fervour and enthusiasm in the school premises. A special assembly was conducted for the entire school to mark the special occasion. The event was celebrated with exuberance and devotion. Students performed Punjabi folk dance “Gidda”, sang folk songs and performed bhanga dance to add spirit to the jubilant mood.

It was time for the dual celebrations as the Mayurians collectively paid tribute to Dr. Bhimrao Ambedkar, the founder architect of Indian Constitution on the occasion of Ambedkar Jayanti. He is known to fight the battle against the social and cultural evils of the society. Students paid their tributes by enlightening others through speeches. Students of Class VI read the preamble of the constitution to cherish the contribution of Dr. B.R. Ambedkar and pay eulogy to our constitution.

Honourable chairman Mr. M.S. Rawat spoke of the great work done by Dr. B.R. Ambedkar. He consistently elaborated on the contributions of the great leader. The jubilant event concluded with patriotic song sung by the school choir group.
